„Move on ... there's more to come' Tommy Haug sings into his microphone and jumps across the stage

"Move on ... there's more to come" Tommy Haug sings powerfully into his microphone and jumps across the stage. His music radiates optimism and pure passion. Since the release of the debut album "Hope" in 2017, things are moving forward for the young singer/songwriter from Germany. In several live performances in clubs, at festivals and on big stages, Tommy Haug has already acquired a fan base in a short time.

When the likeable musician enters the stage with his base cap and his guitar, Tommy Haug convinces with a captivating stage presence and provides catchy lyrics for audience-oriented moments. Tommy Haug stands for honest, handmade music. The range of his music ranges from exuberant rock, over pop to thought-provoking songs. His titles tell of hope, love and emotions. The inspiration for this is life itself.

Behind Tommy Haug is his three-member band: With a concise bassline Phil emphasizes the distinctiveness of his songs, Alex provides rousing guitar riffs and drummer Picco makes the supporting beats. Together, the boys form a team that not only connects the music together, but also a real friendship - an energy that is noticeable to the audience.

"... there's more to come" - the journey continues. Tommy Haug: One man, one guitar, one band, many emotions and one goal!
